Proposal for resolution under Item 15

The board of directors proposes that the annual general meeting adopt the following guidelines for remuneration for the senior management. Remuneration to the CEO and other senior managers will be a fixed amount (base salary), possible variable remuneration, additional benefits and pension. Other senior managers include the executive vice president, business group managers and the central staff managers. The total remuneration is to correspond to market practice and be competitive on the senior manager's field of profession. Fixed and variable remuneration is to be linked to the manager's responsibility and authority. For the CEO, as well as for other senior managers, the variable remuneration is to be limited and linked to the fixed remuneration. The variable remuneration is to be based on the outcome of predetermined objectives and, as far as possible, be linked to the increase of value of the SCA share, from which the shareholders benefit. In the event of termination of employment, the notice period should normally be two years should the termination be initiated by the company, and one year, when initiated by the senior manager. Severance pay should not exist. Pension benefits are to be determined either by benefit or charge, or by a combination hereof, and entitle the senior manager to pension from the age of 60, at the earliest. To earn the pension benefits, the period of employment must be long, at present 20 years. When resigning before the age entitling to pension, the senior manager will receive a paid-up pension policy from the age of 60. The pension is not to be based on variable remuneration. Matters of remuneration to the senior management are to be dealt with by a remuneration committee and, as regards the president, be resolved by the board of directors.

Shareholders representing more than 50 percent of the number of votes of the total number of shares in the company have announced that they intend to vote in favour of the nomination committee's as well as the board of directors' proposals.
