The Nomination Committee's reasoned statement and presentation of the Nomination Committee's work

In September 2023, pursuant to the resolution of the Annual General Meeting, the Chairman of the Board summoned representatives of the four largest registered shareholders in terms of voting rights to form part of the Nomination Committee together with the Chairman of the Board ahead of the Annual General Meeting 2024. On September 21, 2023, as well as on October 12, 2023 (following the announcement from AB Industrivärden to replace Helena Stjernholm with Bengt Kjell in the Nomination Committee), the company announced the composition of the Nomination Committee and how shareholders, if they desire, may submit proposals to the Nomination Committee.

For the Annual General Meeting 2024, the Nomination Committee has held seven recorded meetings. The Nomination Committee has thoroughly familiarized itself with the Board's work and the specific requirements of the company's operations. The Nomination Committee has been given the opportunity to meet with the company's President and been informed of the company and its operations. The Nomination Committee has also reviewed the result of the evaluation of the individual Board members' contribution to the Board's work, of the Chairman's work and of how the Board functions together as a group. At one meeting, the Nomination Committee interviewed one of the Board members. The Nomination Committee's overall assessment is that the Board and its work has been functioning properly.

The aim of the Nomination Committee has been to propose a Board where the individual Board members as well as the Board in its entirety meet great demands on relevant knowledge and experience in order to be able to carry out effective Board work in SCA characterized by high quality. Also, in accordance with the company's diversity policy, the Nomination Committee has strived to achieve an equal gender balance in the Board. In its proposal regarding the Board of Directors, the Nomination Committee has paid specific attention to the proposed members' other assignments, to ensure that they are able to devote their assignment in the SCA Board the time and the commitment required.

In the light of the evaluation, the Nomination Committee proposes re-election of Board members Åsa Bergman, Lennart Evrell, Annemarie Gardshol, Carina Håkansson, Ulf Larsson, Martin Lindqvist, Anders Sundström and Barbara M. Thoralfsson as well as election of Helena Stjernholm as new Board member and Chair of the Board. Nine Board members elected by the General Meeting has been deemed appropriate. Pär Boman and Karl Åberg have declined re-election.

The Nomination Committee has applied rule 4.1 of the Swedish Corporate Governance Code as diversity policy. The Nomination Committee considers that the proposed Board of Directors, in accordance with rule 4.1 of the Swedish Corporate Governance Code, will obtain an appropriate composition with regard to the company's operations, phase of development and other relevant circumstances. The proposed Board of Directors is characterized by diversity and breadth as to the Board members' qualifications, experience and background as well as a strive to achieve an equal gender diversity. Of the nine proposed members of the Board, five are women and four are men, which corresponds to approximately 56 percent and 44 percent, respectively. Furthermore, the proposed Board meets the independency requirements in the Swedish Corporate Governance Code.

The Nomination Committee has evaluated the level and structure of the remuneration in respect of Board and committee work and has concluded that an increase of the remuneration as proposed by the Nomination Committee is justified. The proposal reflects the Nomination Committee's ambition that the level of remuneration should be in line with remuneration in similar companies.

The Nomination Committee has reviewed the company's and the Audit Committee's work regarding proposals for election of auditor as well as its recommendation in this regard. The Audit Committee has recommended re-election of Ernst & Young AB ("EY") as the company's auditor. EY has been the company's auditor since the Annual General Meeting 2016 and has performed its assignment in a satisfactory manner. The Nomination Committee proposes, in accordance with the recommendation of the Audit Committee, re-election of EY for the period until the end of the Annual General Meeting 2025. If elected, EY has announced its appointment of Fredrik Norrman as auditor-in-charge.

Questions about the Nomination Committee's proposals will be answered by the Chairman of the Nomination Committee, Bengt Kjell, phone +46 8 666 64 00.
