

Nomination Committee prior to 2009 Annual General Meeting

Decision regarding appointments

The 2008 Annual General Meeting decided that the Nomination Committee prior to the 2009 Annual General Meeting would consist of representatives for at least the four and at most the six largest (in terms of voting rights) registered shareholders listed in VPC's printout of the share register at August 29, 2008, together with the Chairman of the Board, who will also convene the first meeting of the Nomination Committee. The representative for the largest shareholder, in terms of voting rights, shall be appointed Chairman of the Nomination Committee. If on the basis of subsequently occurring changes in ownership it should become expedient, the Nomination Committee is entitled, should the number of committee members fall below seven, to call in an additional one or two members from among the shareholders based on voting rights, so that the number of committee members totals at most seven. In the event that a member resigned from the Nomination Committee before its work is complete and the Nomination Committee finds it desirable to appoint a replacement, said replacement shall be provided by the same shareholder or, if said shareholder no longer qualifies as one of the largest shareholders, in terms of voting rights, from the next-largest shareholder in line. Any change in the composition of the Nomination Committee shall be published immediately. The composition of the Nomination Committee prior to the 2009 Annual General Meeting shall be published not later than six months before the Meeting. No remuneration shall be paid to members of the Nomination Committee. Any expenses in connection with the work of the Nomination Committee shall be borne by the company. The mandate period of the Nomination Committee shall be until the publication of the composition of the next Nomination Committee.
