## **SCA sells stake in German liquid packaging company**

SCA has sold its 51% stake in the German liquid packaging company Zewathener to DS Smith, the international packaging and office products supplier. SCA acquired its stake in 1995 by purchasing PWA. The reason for the sale is that the operations of Zewathener can not be integrated in SCA's packaging operations in a natural way. Zewathener has an annual turnover of 22 million Euro. The profit from the sale, approx. SEK 90 million will be included in the packaging business's profit for the third quarter of 2002.
