SCA in Dow Jones Sustainability Index

SCA has once again been included in the Dow Jones Sustainability Europe Index, which is one of the world's most prestigious sustainability indexes.

"We are pleased that our sustainability work is being recognized in this way. We are proud to have been included in the index five times during the last eight years. Our sustainability work is an essential part of our strategy for growth and value creation for our business and also for people and nature," says Kersti Strandqvist, SVP Corporate Sustainability at SCA.
