

Press release

Sundsvall, 31 July 2017

Conversion of shares

According to SCA's articles of association, owners of Class A shares have the right to have such shares converted to Class B shares. Conversion reduces the total number of votes in the company. When such a conversion has occurred, the company is obligated by law to disclose any such changes in this manner.

In May, at the request of shareholders 348 Class A shares were converted to Class B shares. The total number of votes in the company thereafter amounts to 1,283,684,808.

The total number of registered shares in the company amounts to 702,342,489 of which 64,593,591 are Class A shares and 637,748,898 are Class B shares.

This is information that SCA is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication through the agency of the contact person set out above on 31 July 2017.

The core of SCA's business is the forest, 2.6 million hectares in northern Sweden. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer paper for packaging and print, pulp, wood products, renewable energy, services for forest owners and efficient transport solutions.

2016 the forest products company SCA had approximately 4,000 employees and sales amounted to approximately SEK 15,4 bn (EUR 1,6 bn). SCA was founded in 1929 and has its headquarters in Sundsvall, Sweden. More information at www.sca.com.
