## Kristina Enander new Business Area President Pulp

**Kristina Enander, presently manager of SCA's Ortviken paper mill, has been appointed new Business Area President Pulp.**

SCA's Business Area Pulp comprise the Östrand pulp mill in Timrå, Sweden. One of Sweden's largest industrial investments ever is about to be concluded and put on stream. The extended pulp mill will have a capacity of one million tonnes of pulp per annum and will be the biggest production line for bleached softwood kraft pulp in the world.

Kristina Enander takes on her new position as of November 1, 2018. She succeeds Åke Westberg, who will retire from SCA.

The core of SCA's business is the forest, 2.6 million hectares in northern Sweden. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer paper for packaging and print, pulp, wood products, renewable energy, services for forest owners and efficient transport solutions.

2017 the forest products company SCA had approximately 4,000 employees and sales amounted to approximately SEK 16.7 bn (EUR 1,6 bn). SCA was founded in 1929 and has its headquarters in Sundsvall, Sweden. More information at [www.sca.com](http://www.sca.com).
