## SCA publishes Annual Report for 2018 Reports climate impact for the first time

**SCA has today, February 27, published the company's Annual Report for 2018. The report presents for the first time the impact the company's operations have on the climate. The effect is positive and is equivalent to emissions from road freight and domestic air travel in Sweden.**

The Annual Report is available at [www.sca.com](http://www.sca.com).

Distribution of the printed version of the Annual Report to shareholders and other stakeholders will commence on March 12, 2019.

---

The core of SCA's business is the forest, Europe's largest private forest holding. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer paper for packaging and print, pulp, wood products, renewable energy, services for forest owners and efficient transport solutions. 2018 the forest products company SCA had approximately 4,000 employees and sales amounted to approximately SEK 18.8bn (EUR 1.8 bn). SCA was founded in 1929 and has its headquarters in Sundsvall, Sweden. For more information, visit [www.sca.com](http://www.sca.com)
