## SCA increases pulp price by \$ 40

**SCA increases the price on bleached softwood kraft pulp, NBSK, by \$ 40 per tonne.**

“ We see a growing demand for pulp and our stocks are decreasing”, says Henning Ellström, VP sales and marketing pulp. “Furthermore, the pulp supply this autumn is limited, not the least by maintenance stops among pulp producers. Many planned maintenance stops this spring were postponed until this autumn.”

The new price on bleached softwood kraft pulp, \$ 880 per tonne, is valid from October 1, 2020.
