The core of SCA's business is the forest, Europe's largest private forest holding. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer paper for packaging and print, pulp, wood products, renewable energy, services for forest owners and efficient transport solutions.

2019 the forest products company SCA had approximately 4,000 employees and sales amounted to approximately SEK 19.6 bn. SCA was founded in 1929 and has its headquarters in Sundsvall, Sweden. More information at www.sca.com.
