SCA updates MTN program and publishes prospectures

Svenska Cellulosa Aktiebolaget SCA (publ) on May 8, 2018 established a so-called Medium Term Note program (MTN) with a framework loan amount of SEK 8 billion.

Until the May 25, 2021 SCA has issued SEK 4,7 billion within the framework of the MTN program, whereof SEK 2,5 billion is still outstanding. In relation to the MTN program, SCA on May 8, 2018 drafted and published a base prospectus, subject to a yearly update. Thus, SCA has updated the base prospectus which today on May 25, 2021 has been approved by and registered with the Swedish Financial Supervisory Authority (Sw. Finansinspektionen). The updated base prospectus will be available at the Swedish Financial Supervisory Authority's (www.fi.se) and SCAs (www.sca.com) respective websites. Hard copies may be obtained at SCAs office in Sundsvall."

The core of SCA's business is the growing forest, Europe's largest private forest holding. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer packaging paper, pulp, wood products, renewable energy, services for forest owners and efficient transport solutions.

2020 the forest products company SCA had approximately 4,000 employees and sales amounted to approximately SEK 18.4 bn.

SCA was founded in 1929 and has its headquarters in Sundsvall, Sweden. More information at <http://www.sca.com>
