The core of SCA's business is the growing forest, Europe's largest private forest holding. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer packaging paper, pulp, wood products, renewable energy, services for forest owners and efficient transport solutions.

2020 the forest products company SCA had approximately 4,000 employees and sales amounted to approximately SEK 18.4 bn.

SCA was founded in 1929 and has its headquarters in Sundsvall, Sweden. More information at <http://www.sca.com>
