SCA to increase kraftliner prices by €100 per tonne

SCA increases the prices on white and brown kraftliner in Europe by €100 per tonne. The new price is valid from April 1, 2022.

- We see good demand in the market for kraftliner while supply is limited. Increased costs are evident and must be managed in order to safeguard stable supply of sustainable kraftliner, says Mikael Frölander, Vice President Marketing and Sales at SCA Containerboard.
