## Changes in SCA's Group Management

Kristina Enander, President of SCA's Pulp business area, will assume the role of Senior Vice President Strategic Development on May 1, 2023. In addition to overall responsibility for driving SCA's strategic development, the role also includes responsibility for research and development, the Group's technical department, and the Group's IT operations. Enander has worked at SCA since 1993.

Mats Nordlander will assume the role of President, Pulp, on 1 May 2023. Nordlander will retain the role of President, Containerboard and will thus be responsible for SCA's pulp and packaging paper operations. Nordlander has worked at SCA since 2015.

Ole Terland has held the role of Senior Vice President Strategic Development since 2016. Terland will assume a role as senior advisor and leave SCA to retire January 1, 2024.

The core of SCA's business is the growing forest, Europe's largest private forest holding. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer packaging paper, pulp, wood products, renewable energy, services for forest owners and efficient transport solutions. 2022 the forest products company SCA had approximately 3,300 employees and sales amounted to approximately SEK 21 bn. SCA was founded in 1929 and has its headquarters in Sundsvall, Sweden. More information at <http://www.sca.com>
