SCA to increase kraftliner prices by €80 per tonne

SCA increases the prices on white and brown kraftliner in Europe by €80 per tonne. The new price is valid from April 1, 2024.

- We see an improved and solid demand in the market for kraftliner with a good balance in the supply chain. The continued cost pressure is evident and must be managed to safeguard stable supply of sustainable kraftliner, says Mikael Frölander, Vice President Marketing and Sales at SCA Containerboard.
