The core of SCA's business is its growing forest, Europe's largest private forest holding. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer packaging paper, pulp, solid wood products, renewable energy, forest management services, and efficient transport solutions. In 2024, SCA had approximately 3,400 employees and sales of SEK 20 billion. SCA was founded in 1929 and is headquartered in Sundsvall, Sweden.
