## Change in SCA's Group Management

**SCA and Petteri Kalela have agreed that Kalela will leave his role as Head of Business Areas Containerboard and Pulp.**

"I would like to extend my warm thanks to Petteri for his valuable contributions and strong commitment to SCA during his time with us, and wish him every success in his future career," says SCA's President and CEO, Ulf Larsson.

Until a new Head of Business Area is appointed, President and CEO Ulf Larsson will serve as interim Head of Business Areas Containerboard and Pulp. Kalela will leave his role on 30 January 2026 and will, together with the company, ensure a robust transition process.

The process to recruit a new Head of the Business Areas will begin immediately.

The core of SCA's business is the growing forest, Europe's largest private forest holding. Around this unique resource, we have built a well-developed value chain based on renewable raw material from our own and others' forests. We offer packaging paper, pulp, wood products, renewable energy, services for forest owners and efficient transport solutions.

2025 the forest products company SCA had approximately 3,500 employees and sales amounted to approximately SEK

20 bn. SCA was founded in 1929 and has its headquarters in Sundsvall, Sweden. More information at
