SIA „SCA Mežs Latvija”	ROKASGRĀMATA	
	VIDES POLITIKA	
	RG.01-P1	Versija 1.1

Mūsu vīzija / Our vision:

Is to be the leader in sustainable and profitable forestry, and therefore the preferred choice of forest owners

Mūsu misija / Our mission

1. **With the force of the forest we contribute to a sustainable future**
   We manage and develop our forest holdings over the long term and operate at a satisfactory profit level. We supply our growing industries with sustainable raw material.
2. **We do this through responsible forestry, resource efficiency and renewable products**
   We have detailed view of the production conditions and conservation aspects of our forests, high level of competence among all employees and continued development of the knowledge base and methods.
3. **We have a vision of zero workplace accidents and we want everyone to come home healthy and undamaged**.
   People make the future. We highly contribute to health working environment and support our employees to reach their full potential.

Mūsu vides politika / Our environment policy

- Uzņēmums uzņemas pilnu atbildību par uzņēmuma ietekmi uz vidi, kā arī uzņēmums apņemas rūpēties par apkārtējās vides un dabas saudzēšanu, kā arī piesārņojuma samazināšanu un novēršanu.
  We take full responsibility for the company's impact on the environment, and we are committed to take care of nature conservation and pollution reduction and prevention.

- Uzņēmuma apņemas apzināties un izpildīt piemērojamo normatīvo aktu un citas saistošās prasības, tajā skaitā vides aizsardzības normatīvo aktu un citas prasības, kas uzņēmumam ir saistošas un attiecināmas uz vides pārvaldības sistēmu, t.sk. būtiskajiem vides aspektiem.
  We undertake to identify and execute laws and regulations for environmental protection and other requirements, the company is bound by and that are related to environmental management systems, including significant environmental aspects.

- Uzņēmuma apņemas izpildīt piemērojamās prasības un nepārtraukti pilnveidot ieviesto vides pārvaldības sistēmu, kā arī uzlabot pārvaldības sistēmas efektivitāti un ievērot tajā noteiktās prasības.
  We are committed to maintain and continuously improve the implemented environmental management systems. We undertake to improve the management system efficiency and to comply with its requirements.
